

Campus Mobile App

The Campus Mobile App allows parents to view information about their child in real time. Depending on which Campus Portal Settings are active for your child’s school, you may see any of the following:

- Planner
- Assignments
- Attendance
- Grades
- Schedule
- Settings

The following devices and operating systems are supported:

Device	Minimum Operating System
Apple Mobile Devices (iPod Touch, iPhone)	iOS 6.0+
Apple Tablet Devices (iPad, iPad Mini)	iOS 6.0+
Android Mobile Devices (Phones)	Android 2.3+
Android Tablet Devices	Android 2.3+

Requirements

- You must have an active Campus Portal account.
- You must have a supported iOS (iPad, iPhone, iPod Touch) or Android device.

Mobile Portal Installation and login

1. Download the app from either the App Store, Google Play or Amazon.
2. Launch the Campus App and search for district name “Adams 12” and enter “Colorado” in the state search.
3. Enter your portal account information to sign in.
